10 new hotels around the world to check into in 2020

By Amber Gibson - Dec 19, 2019

Amber Gibson spends 350 nights a year in hotels searching for the latest and greatest in the travel industry. Her writing and photographs have appeared in print, online, and on the radio for outlets including Forbes, National Geographic Traveler, Departures, Four Seasons Magazine, Conde Nast Traveller, NPR, Saveur, Departures, Rhapsody, Hemispheres, American Way, Private Air, and Serious Eats.

NEW YEAR, NEW HOTELS

Near and far, here are some of best new hotels to visit around the globe, wherever your travels may take you in 2020.

GRAND HYATT SFO / SAN FRANCISCO, CALIFORNIA

A glamorous luxury hotel at the airport? You might be skeptical but the aviation-themed artwork and California eucalyptus grove-inspired lobby set the tone for a relaxed and elegant stay at Grand Hyatt SFO, redefining the tired airport hotel experience.

It's the only on-airport hotel at San Francisco International Airport with 351 rooms, including 22 suites. The convenience is undeniable – you're directly adjacent to the International Terminal and airfield and connected to all airport terminals by AirTrain. Guestrooms have floor-to-ceiling, soundproofed windows offering close-up views of planes pulling up to the jet bridge.
